REQUIRED COURSES

11200	English Grade 8
23570	Civics/Economics Grade 8
41250	Physical Sci Gr 8
	*Mathematics

* MCPS provides a comprehensive mathematics program to promote the achievement of every student. A key component of our program is ensuring that all secondary students are placed in mathematics courses that deliver an appropriate level of challenge. All MCPS middle schools collect and analyze multiple pieces of student data in order to make mathematics placement decisions, including: grades, test scores, and teacher recommendations. Parents will be informed of mathematics placement decisions for the coming school year before the end of the current school year.

Placement in these courses determined by Administration.

- ESL 5710M
- Academic Literacy* 01162

* MCPS provides a middle school reading program to prepare students for the increased rigor of English Standards of Learning and increased demand of nonfiction content area reading. Placement decisions are based on class grades, test scores, and teacher recommendations. Before the end of the year, parents will be informed if their student has met the placement criteria.

Parents:
Please complete and return this form to your child's Titan teacher by Tuesday, February 16, 2016. If you have questions, please call the Blacksburg Middle School Guidance and Counseling Office at 951-5803. Please direct your questions either to Mr. Bo Honeycutt, Assistant Principal, or Ms. Michele Parker, Counselor.
