* MCPS provides a comprehensive mathematics program to promote the achievement of every student. A key component of our program is ensuring that all secondary students are placed in mathematics courses that deliver an appropriate level of challenge. All MCPS middle schools collect and analyze multiple pieces of student data in order to make mathematics placement decisions, including: grades, test scores, and teacher recommendations. Parents will be informed of mathematics placement decisions for the coming school year before the end of the current school year.

Parents: Please complete and return this form to your child's teacher by Wednesday, January 24, 2018. If you have questions, please call the Blacksburg Middle School Guidance and Counseling Office at 951-5803. Please direct your questions either to Ms. Amanda Weidner, Principal, or Ms. Michele Parker, Counselor.
